Glossary
Routing Number: the nine digit code for your bank (1)
Account Number: your specific account number (2)
Deposit Types: Denotes how pay is split between accounts
Balance of Net Pay: Denotes that this account will receive the leftover amount of your paycheck after applying percentages and amount rules. All employees should have a balance of net pay account. This is also the account reimbursements from accounts payable will be sent to.
Percent: Denotes that this account will receive a specified percent of your paycheck. When using percent ensure that all accounts represent 100% of a paycheck and that one account is set to accept Balance of Net Pay.
Amount: Denotes that this account will receive a specific amount of your paycheck. When using amounts include one account set to accept Balance of Net Pay.
Deposit Order: The order in which employee’s paycheck is deposited into their accounts. Each account/action must have a unique priority number. The balance of net pay account with deposit order 999 will be used for reimbursements.
Duo 2-Step Authentication: A verification method to secure online access to sensitive information. Upon logging in users are sent a secondary login push or code to a separate device.

Additional Tips
Making Changes to Direct Deposit Account
To make changes log in to ConnectCarolina and Direct Deposit

• Note: ConnectCarolina requires you to have at least one account set up, so if you only have one, you’ll need to change it rather than deleting it and then adding another account.

• Click Edit to change Routing and Account Numbers

All single accounts should be set to Balance of Net Pay.
