

Changing Your Browser Settings so the Airgas Catalog Works Correctly

Note: Mac users, Safari is not supported for use with ePro, so you need to use Firefox.

If You Use Internet Explorer

1. In Internet Explorer, click the **Tools** menu, and then **Internet Options**.
2. On the **Privacy** tab, click the **Advanced** button.
3. Put a checkmark beside the Override automatic cookie handling option.
4. Select these two settings:
 - First-party Cookies: Accept
 - Third- party Cookies: Accept
5. Click **OK** to close the Advanced Privacy Settings window, and click **OK** to close the Internet Options window.
6. Close all Internet Explorer windows.

Result: You're ready to relaunch Internet Explorer, start ePro, and shop the Airgas catalog.

If You Use Firefox For Windows

1. In Firefox, click the **Tools** menu, and then **Options**.
2. Click the Privacy icon.
3. In the "Firefox will" drop-down list, choose **Use custom settings for history**.
4. Put checkmarks beside these settings:
 - Accept cookies from sites
 - Accept third-party cookies
5. Click **OK**.
6. Close all Firefox windows.

Result: You're ready to relaunch Firefox, start ePro, and shop the Airgas catalog.

If You use Firefox for the Mac

1. Click the **Firefox** menu and then click **Preferences**.
2. On the Privacy tab, in the Firefox will drop-down list, choose **Use custom settings for history**.
3. Put a checkmark beside **Accept cookies from sites** and **Accept third-party cookies**.
4. Click the **red circle** to close the Options window.

5. Click the **Tools** menu and then **Clear Recent History**.
6. For Time range, select **Everything**.
7. Under Details, select **Cookies** and **Cache** and then click the **Clear Now** button.
8. Use the Command Q option to close all Firefox windows.

Result: You're ready to relaunch Firefox, start ePro, and shop the Airgas catalog.
