

Tip for submitting a Remedy ticket for a retro journal

Search using a related term, like “Retro,” which will populate the correct category code (Retro Journal Entry). It helps us to route the ticket directly to the right folks. See the steps below.

Search for Help

Type the issue you need assistance with and click Search, then click on the best result.

Terms such as "email", "Onyen", "Outlook", etc. will yield the most appropriate results.
