Last day to submit funds transfer requests from University accounts.

### **Budget Office Dates**

May 30 Last day to submit State Budget increases to be approved by OSBM.

June 30 Last day to submit Budget Transfer Revisions for State and F&A funds.

### **Office of Student Accounts & University Receivables Dates**

June 30 a.m. Cash and check deposits must be received by **Noon**. All deposits for credit card payments settled on June 27, 2014, and prior should be submitted via the Departmental Deposit System by **10:00 a.m.**

June 30 a.m. All deposits for credit card payments settled on June 28, 29, or 30, 2014, must be submitted via the Departmental Deposits System by **10:00 a.m.**

**Payroll Dates** *[Note that payroll dates refer to receipt of approved personnel actions in Payroll Services. Departments should allow for sufficient time for approval routing for personnel actions].*

May 20 Last day approved personnel actions through EPA web will be accepted for the monthly payroll paid on **May 30**.

May 22 Last day approved personnel actions through EPA web will be accepted for the Summer Session I payroll paid on **May 29** (first payment).

May 30 Last day approved personnel actions through HRIS and EPA web will be accepted for the biweekly payroll paid on **June 13**.

June 11 Last day approved personnel actions through EPA web will be accepted for the Summer Session I payroll paid on **June 17** (second payment).

June 20 Last day approved personnel actions through EPA web will be accepted for monthly payroll paid on **June 30**.

July 21 Last day approved personnel actions through EPA web will be accepted for the Summer Session II payroll paid on **July 25** (second payment).

**Purchasing Considerations**

All purchases in excess of \$5,000 require competition. Any requirement for purchases in excess of \$5,000 should be identified and subsequently approved prior to or no later than May 15 to ensure arrival prior to June 30 enabling payment by the end of the fiscal year. Regular purchase orders and blanket orders may be canceled using the Change Request form. Purchase orders that are not canceled or used will be carried forward to the new fiscal year and will obligate FY 2014-2015 budgets.

**Disbursement Services Considerations**

If the receiving has not been entered into the system, payment cannot be made and the purchase order will be charged against 2014-2015 budgets. Likewise, if the original vendor invoice is not received, payment cannot be made and the purchase order will be charged against 2014-2015 budgets. Incomplete documentation may delay your payment request; be certain that the item is fully documented before submitting it for processing. **Payment**

**cannot be made before the receipt of goods or services so do not indicate receipt of materials not received in order to use available funds or for any other reason.**

**Accounting Considerations**

Cash deficits in most institutional trust and special fund accounts should be funded by June 28 through collection of receivables, transfers from other funds or other appropriate methods. Cash deficits should not be carried forward to the new fiscal year. If funds from University-related foundations on deposit in other FRS accounts will be used to fund expenditures for FY 2013-2014, the funds transfer request should be submitted by June 20.

**State Budgeting Considerations**

Sufficient budget balances or cash balances must be available to cover all disbursements from University accounts. The State does not allow deficits in any expenditure object. You should review your available budget balances on your monthly reports so all disbursements can be properly funded.

**Cashiering Considerations**

To comply with G.S. 147-77 and University policies, all departmental receipts must be deposited daily. Do not hold deposits for the new FY. Delaying the deposit of University funds is a violation of State statutes. The daily deposit for electronic credit card receipts for FY 2013-2014 should be provided to the University Cashier no later than 10:00 a.m. on June 30 via the Online Departmental Deposit System. **If the person assigned with this responsibility is not at work on June 30, then the department is required to take appropriate measures to get the deposit entered by 10:00 a.m.**

**Payroll Considerations**

The last biweekly payroll posted in the current year will be for the period ending **June 15** (paid on **June 27**). The June monthly payroll will be paid and posted on **June 30**. Specific deadlines for the Summer Session payrolls have been established. (See year-end deadlines.) The Summer Session payroll dates are **May 29 and June 17** for Session I and **July 9 and July 25** for Session II.

Every effort will be made to effectively and efficiently use the University's resources. Your assistance in processing documents, monitoring your budgets and purchase orders, and adhering to deadlines is very important.

Thank you for your cooperation.
