

During this challenging time CDWG can assist with business continuity by supporting remote working. If you need products we are able to change the shipping address to your residence if you require this option.

If this is needed please follow this process:

- 1) Place order as normal on CDW-G punchout in EPRO
- 2) Record the Purchase Order Number
- 3) Immediately send an email with the following information to Robert.chlupsa@cdwg.com
