

COVID-19 and TIM Update, May 5th

Special Leave Provision Extended until May 8, 2020

- Employees may be granted paid administrative leave for qualifying reasons from March 16 until May 8, 2020. Please review the updated HR COVID FAQ <https://hr.unc.edu/employees/covid19-faqs/> for detailed information about COVID-19 and the special leave provision.

Administrative Absence in TIM, March 16 – May 8, 2020

- Paid administrative leave hours are recorded in TIM using the "**Administrative Absence**" pay code for qualifying conditions. Please refer to the Administrative Absence section in the "COVID-19 and TIM Update, April 8" for more detailed information, <https://finance.unc.edu/news/2020/04/09/covid-19-and-tim-update-april-8/>
- **ALL employees are expected to record Administrative Absence leave if qualified.** The University is reporting all Administrative Absence hours taken to the UNC System Office. The amount of leave reported could impact University funding, so it is important that ALL employees report any such leave taken.
- EHRA Temporary employees including Graduate Students, Postdocs, and 9-Month Faculty have been granted access in TIM to record their Administrative Absence Leave hours.
- Administrative Absence hours taken by all EHRA employees from March 16 through April 30, must be entered in their timecards by the monthly sign off deadline at 5 p.m. on May 15, 2020 to ensure proper reporting.

Employees Working Remotely or Onsite

- SHRA non-exempt permanent, temporary, and student employees working remotely, including mandatory remote and onsite employees, should continue to capture or enter their times in and out worked in their timecards to ensure they are paid correctly. Employees should enter their leave hours taken for hours not worked and that do not qualify for paid administrative leave.

Mandatory Onsite Premiums, April 1 – May 8, 2020

- **Effective April 1 through May 8th**, a CDME designated onsite primary or secondary employee may receive mandatory onsite premium for hours worked onsite if they meet the eligibility criteria. For clarification on who is eligible, please review the HR COVID FAQ, <https://hr.unc.edu/employees/covid19-faqs/> or consult your HR representative.
- **From May 1 – May 8th**, CDME OnSite Banked hours will continue to be provided at the .5 rate for up to 40 hours per week for Exempt employees and now for Non-Exempt employees as well. For example, if a SHRA Non-Exempt employee worked over 40 hours onsite as of Saturday, May 2nd, CDME OnSite Banked- Overtime will not be entered in TIM on that day.

- Please refer to the Mandatory Onsite Premiums section in “COVID-19 and TIM Update, April 8” for more details, <https://finance.unc.edu/news/2020/04/09/covid-19-and-tim-update-april-8/>
- We previously communicated that CDME OnSite Banked- Overtime hours would be calculated at .75 rate in TIM. HR notified us that those banked hours would also be calculated at .5 rate. The rate was updated in TIM before the first CDME onsite banked hours were signed off, so all CDME OnSite Banked- Overtime hours entered in TIM were calculated at the .5 rate.
